Subject: Re: Fwd: Message from Chairman Dickens re: Authority Meeting Thursday

Greetings Chairman Dickens and Fellow Authority Members,

I am away conducting a congregational leadership conference in Minden, LA and am unable to be present with you during the Thursday meeting. I do however want those present to be aware of my unwavering support for the financial package as it stands and agree wholeheartedly that it should be presented to the Metro Council for approval. It is my belief that the current finance package represents a thoroughly detailed and carefully thought through proposal that reflects a commitment to the future advancement of our premier City without burdening the loyal and faithful citizens of Metropolitan Nashville and Davidson County. I wish each of you a prosperous New Year.

Sincerely,

Darrell A. Drumwright

Dear Marty:

I am sorry I will be away during the January 7th vote by the Convention Center Authority. We have a family trip that has been planned for over six months.

Here are my thoughts in writing:

- I am completely 100% in favor of proceeding with building the convention center as proposed:
- Having looked at a number of feasibility reports in my past life, I can honestly say that this is by far the most thorough and well-planned feasibility report I have ever seen.
- Nashville and Music City are a unique brand and strongly positioned to take advantage of a new convention center.

Again I am sorry I will miss the meeting.

Cordially yours,

luke
