Attention: Director of Finance

Ladies and Gentlemen:

Goldman, Sachs & Co., acting for itself and for the other underwriters named in the list attached hereto and marked Appendix I hereto (we and such other underwriters being herein collectively called the “Underwriter”), hereby offers to enter into this Bond Purchase Agreement (this “Bond Purchase Agreement”) with The Convention Center Authority of the Metropolitan Government of Nashville and Davidson County (the “Issuer”) for the purchase by the Underwriter and the sale by the Issuer of the Issuer’s revenue bonds specified below. This offer is made subject to acceptance hereof by the Issuer prior to 6:00 p.m., prevailing time in New York, New York, on the date hereof, and, upon such acceptance, evidenced by the signature of a duly authorized officer of the Issuer in the space provided below, this Bond Purchase Agreement shall be in full force and effect in accordance with its terms and shall be binding upon the Issuer and the Underwriter. Capitalized terms not defined herein shall have the meanings ascribed to them in the Indenture of Trust, dated as of April 1, 2010 (the “Series 2010A Indenture”), between the Issuer and U.S. Bank National Association, as Trustee (the “Trustee”), relating to the Series 2010A Bonds (as herein defined), and the Indenture of Trust, dated as of April 1, 2010

(the “Series 2010B Indenture”, and together with the Series 2010A Indenture, the “Indentures”), between the Issuer and the Trustee relating to the Series 2010B Bonds (as herein defined).

If the Issuer accepts this offer and the Underwriter fails (other than for a reason permitted hereunder) to accept and pay for the Bonds (as defined herein) upon tender thereof by the Issuer at the Closing (as defined herein) as herein provided, the parties hereby agree that the damages to the Issuer shall be fixed at one percent (1%) of the aggregate principal amount of the Bonds, and, upon such failure of the Underwriter to accept and pay for the Bonds, the Underwriter shall be obligated to pay to the Issuer such amount as and for full liquidated damages for such failure. Upon such payment, the Underwriter shall be fully released and discharged of all claims, rights and damages for such failure.

B. Delivery of and Payment for the Bonds.

1. At or about 11:00 a.m., prevailing time in New York, New York, on [[[April __, 2010]]] (the "Closing Date"), or at such other time or date as shall have been mutually agreed upon by the Issuer and the Underwriter, the Issuer will deliver or cause to be delivered to the Underwriter the Bonds, in definitive form, duly executed and authenticated by the Trustee, together with the other documents hereinafter mentioned; and, subject to the conditions contained herein, the Underwriter will accept such delivery and pay the Purchase Price, by wire transfer, payable to the order of the Trustee.
2. The Issuer and the Underwriter agree that there shall be a preliminary closing held at the offices of Bass, Berry & Sims PLC (the "Bond Counsel") in Nashville, Tennessee on the day preceding the Closing Date, or at such other time or place as the Issuer and the Underwriter shall agree.
3. Such payment and the related delivery is herein called the "Closing." The Bonds will be delivered as fully-registered bonds, bearing proper CUSIP numbers, and registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds.
4. After execution by the Issuer and authentication by the Trustee, the Bonds shall be held in safe custody by the Trustee or any authorized agent for the Trustee. The Trustee shall release or authorize the release of the Bonds from safe custody at the Closing upon receipt of payment for the Bonds as aforesaid.

C. Official Statement.

1. The Issuer hereby consents to and confirms the prior use by the Underwriter of the Preliminary Official Statement (in printed or electronic form) dated [[[March __, 2010]]] (the "Preliminary Official Statement"), in connection with the public offering of the Bonds by the Underwriter, and further confirms the authority of the Underwriter to use, and consents to the use of, a final Official Statement (in printed or electronic form) with respect to the Bonds, to be dated the date hereof, and any amendments or supplements thereto that shall be approved by the Issuer (as so amended and supplemented, the "Official Statement") in connection with the public offering and sale of the Bonds. The Issuer hereby represents and warrants that the Preliminary Official Statement previously furnished to the Underwriter was "deemed final" by the Issuer as of its date for purposes of Rule 15c2-12 ("Rule 15c2-12") promulgated by the Securities and Exchange Commission of the United States of America (the "SEC") under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except for the omission of such information as is specified in Rule 15c2-12(b)(1).
2. The Issuer shall provide, or cause to be provided, to the Underwriter, no later than [[[_____]]], ten executed counterparts of the Official Statement, and conformed copies of a final Official Statement in "designated electronic format" (as defined in Rule G-32 of the Municipal Securities Rulemaking Board (the "MSRB")) and sufficient additional copies to permit the Underwriter to comply with Rule 15c2-12, and other applicable rules of the SEC and the MSRB.
3. The Issuer hereby authorizes the Underwriter to file, and the Underwriter hereby agrees to file, the Official Statement with the MSRB through its Electronic Municipal Market Access site ("EMMA").

D. Amendments to Official Statement. The Issuer covenants to promptly notify the Underwriter if, during the Update Period (as herein defined), any event shall occur, or information shall come to the attention of the Issuer that is reasonably likely to contain, or would cause the Official Statement (whether or not previously supplemented or amended) to contain, any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and if in the opinion of the Underwriter such event or information requires the preparation and distribution of a supplement or amendment to the Official Statement, to prepare and furnish to the Underwriter, at the Issuer's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the Issuer and approved by the Underwriter, as the Underwriter may reasonably request, and if such notification shall be given subsequent to the Closing Date, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

E. Public Offering.

1. The Underwriter agrees to make a bona fide initial offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Tax-Exempt Bonds at prices not greater than, and yields not less than, those set forth in Appendix II hereto. If such public offering does not result in the sale of all of the Tax-Exempt Bonds, the Underwriter may offer and sell the Tax-Exempt Bonds without any request or prior notice to certain bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices or yields higher than the yields as set forth in the Official Statement; provided, however, the Underwriter reasonably expects that, based upon prevailing market conditions, at least ten percent (10%) of each maturity of the Tax-Exempt Bonds will be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at initial offering prices not greater than, or yields less than, those shown in Appendix II hereto.
2. The Underwriter agrees to make a bona fide initial offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Taxable Bonds at prices not greater than, and yields not less than, those set forth in Appendix II hereto. If such public offering does not result in the sale of all of the Taxable Bonds, the Underwriter may offer and sell the Taxable Bonds without any request or prior notice to certain bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices or yields higher than the yields as set forth in Appendix II hereto; provided, however, the Underwriter reasonably expects that, based upon prevailing market conditions, at least ten percent (10%) of each maturity of the Taxable Bonds will be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at initial offering prices not greater than, or yields less than, those shown in Appendix II hereto. The Underwriter agrees not to offer or sell any Taxable Bond as part of the initial offering to the public at a price that includes original issue premium in excess of 0.25% of the stated redemption price at maturity of such Taxable Bond multiplied by the number of complete years to the maturity of such Taxable Bond.
3. The Underwriter certifies that at the time of the execution of this Bond Purchase Agreement, based upon prevailing market conditions, the Underwriter does not have any reason to believe that any of the Bonds will be initially sold to the public (excluding such bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices greater than, or yields less than, those set forth in Appendix II hereto. At the Closing, the Underwriter shall deliver to the Issuer a certificate, containing provisions substantially in the form of Appendix III hereto, in order to enable Bond Counsel to render its opinion as to the exclusion from gross income for federal income tax purposes of interest on the

Tax-Exempt Bonds and in order to satisfy the Issuer that the Taxable Bonds meet the requirements of Section 54AA(d)(2)(C) of the Internal Revenue Code of 1986, as amended (the "Code").

F. End of Underwriting Period.

1. For purposes of this Bond Purchase Agreement, the "End of the Underwriting Period" shall mean the earlier of the Closing Date, unless the Issuer has been notified to the contrary by the Underwriter on or prior to the Closing Date, or the date on which the "end of the underwriting period" for the Bonds has occurred under Rule 15c2-12.
2. The Underwriter shall notify the Issuer when the "end of the underwriting period" for the Bonds has occurred under Rule 15c2-12 with respect to the unsold balance of Bonds that are held by any of the Underwriter for sale to the public within the meaning of Rule 15c2-12.

G. Representations and Warranties of the Issuer. The Issuer hereby agrees with, and makes the following representations and warranties to the Underwriter, as of the date hereof and as of the Closing Date, which representations and warranties shall survive the Closing:

2. The Preliminary Official Statement (other than the information with respect to DTC in the Preliminary Official Statement and the information set forth therein under the captions "OTHER INFORMATION -- UNDERWRITING" and "OTHER INFORMATION -- RATINGS", as to which no view is expressed), as of its date, did not, and as of the date hereof does not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the

statements therein, in the light of the circumstances under which they were made, not misleading.

3. On and as of the date hereof and, unless an event of the nature described in Section H.3 hereof subsequently occurs, at all times during the period from the date hereof to and including the date which is twenty-five (25) days following the End of the Underwriting Period (the "Update Period"), the information in the Official Statement (other than the information with respect to DTC in the Preliminary Official Statement and the information set forth therein under the captions "OTHER INFORMATION -- UNDERWRITING" and "OTHER INFORMATION -- RATINGS", as to which no view is expressed) is and will continue to be true, correct and complete, and the Official Statement does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

5. 6. The Issuer is not in breach of or in default under any applicable judgment or decree or any loan agreement, note, resolution, agreement or other instrument to which the Issuer is a party or is otherwise subject; or by which it or its properties may be bound; and the issuance and sale of the Bonds upon the terms set forth herein and in the Indentures and the Official Statement, and the Issuer's execution and delivery of, and the performance by the Issuer of its obligations under, the Bond Documents and its compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under applicable Tennessee Laws, Metropolitan Laws, Federal Laws, or any administrative regulation,

judgment, decree, indenture, loan agreement, note, resolution, agreement or other instrument to which the Issuer is a party or is otherwise subject.

7. All approvals, consents, and orders of any governmental authority, board, agency or commission, including, but not limited to, the Metropolitan Government, having jurisdiction that would constitute a condition precedent to the performance by the Issuer of its obligations hereunder, the issuance of the Bonds, and the Issuer's execution and delivery of, and the performance by the Issuer of its obligations under, the Bond Documents, have been obtained or will be obtained prior to the Closing.
8. The Bonds, when issued, authenticated and delivered in accordance with the Indentures and sold to the Underwriter as provided herein, will be the legal, valid, and binding obligations of the Issuer, issued in conformity with and entitled to the benefit and security of the respective applicable Indentures.
9. The terms and provisions of the Indentures will comply in all respects with the requirements of applicable Tennessee Laws, Metropolitan Laws and Federal Laws and, when executed and delivered by the parties thereto, the Bond Documents will constitute the legal, valid and binding obligations of the Issuer enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws heretofore or hereafter enacted affecting creditors' rights, and to the application of principles of equity relating to or affecting the enforcement of contractual obligations, whether such enforceability is considered in a proceeding in equity or at law.

The Tourism Tax Revenues, the Project Operating Revenues and the Non-Tax Revenues are collectively referred to herein as the "Revenues."
11. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of the Issuer, threatened against the Issuer, affecting the existence of the Issuer or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the issuance, sale or delivery of the Bonds or the collection of the Revenues or assets of the Issuer pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of any of the Bond Documents, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or any amendment or supplement thereto, or contesting the power or authority of the Issuer to issue the Bonds or to execute, deliver or perform the Bond Documents, or wherein an unfavorable decision,

ruling or finding would adversely affect the validity or enforceability of any of the Bond Documents.

12. The proceeds received from the sale of the Bonds shall be used in accordance with applicable Tennessee Laws, Metropolitan Laws and Federal Laws and the Indentures and as set forth in the Official Statement.
13. Any certificate signed by an authorized officer of the Issuer and delivered to the Underwriter shall be deemed a representation and warranty of the Issuer to the Underwriter as to the statements made therein.

15. The Issuer has not previously failed to comply in all material respects with any previous undertakings in a written continuing disclosure contract or agreement under Rule 15c2-12.

H. Covenants of the Issuer. The Issuer hereby covenants with the Underwriter that:

1. The Issuer shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter.
2. Without the prior written consent of the Underwriter prior to the Closing Date, the Issuer shall not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of, the Resolution or any of the Bond Documents.
3. The Issuer shall promptly advise the Underwriter, by written notice, of (a) any matter arising or discovered after the date of this Bond Purchase Agreement and prior to the Closing Date that, if existing or known at the date hereof, would render any of the representations or warranties set forth herein to be untrue or misleading or might adversely affect the correctness or completeness of any statement of material fact regarding the Issuer, the Bonds or the Bond Documents contained in the Official Statement; or (b) any development that affects the accuracy and completeness of the key representations (within the meaning of Rule 15c2-12) regarding the Issuer contained in the Official Statement which may occur during the Update Period.

4. Prior to the Closing Date, the Issuer shall not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the Revenues or any other assets, properties, funds or interests that will be pledged to the payment of the Bonds pursuant to the Indentures.
 5. The Issuer shall not voluntarily undertake any course of action inconsistent with satisfaction of the requirements applicable to the Issuer as set forth in this Bond Purchase Agreement.
 6. The Issuer shall cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.
 7. The Issuer and the Metropolitan Government will enter into the Continuing Disclosure Agreement, which sets forth the respective undertakings of the Issuer and the Metropolitan Government to provide annual reports and notices of certain events in compliance with Rule 15c2-12. The form of the Continuing Disclosure Agreement is attached hereto as Exhibit A and set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

In case any claim shall be made or action brought against a Protected Party for which reimbursement may be sought against any reimbursing party, as provided above, the Protected Party shall promptly notify the reimbursing party in writing setting forth the particulars of such claim or action (but the failure to so notify the indemnifying party shall not relieve it from liability under Sections M.1 and M.2 hereof unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses) and the reimbursing party shall assume the defense thereof, including the retaining of counsel acceptable to such Protected Party and the payment of all expenses and shall have the right to

negotiate and consent to settlement. A Protected Party shall have the right to retain separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Protected Party unless the employment of such counsel has been specifically authorized by the reimbursing party, or the reimbursing party shall not have employed counsel reasonably acceptable to the Protected Party to have charge of the defense of such action or proceeding, or the Protected Party shall have reasonably concluded that there may be defenses available to it which are different from or additional to those available to the reimbursing party (in which case the reimbursing party shall not have the right to direct the defense of such action or proceeding on behalf of the Protected Party), in any of which events, such legal or other expenses shall be borne by the reimbursing party. No party shall be liable for any settlement of any action effected without its consent, but if settled with the consent of the reimbursing party or if there is a final judgment for the plaintiff in any action with or without written consent of the reimbursing party, to the extent permitted by applicable law, the reimbursing party agrees to reimburse and hold harmless the Protected Parties to the extent of the provisions set forth above from and against any loss or liability by reason of such settlement or judgment. Any such settlement entered into without the consent of a Protected Party (i) must include an unconditional release of each Protected Party from all liability arising out of such action and (ii) must not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any Protected Party.

4. If the reimbursement for which this Section M provides is unenforceable, or is unavailable to a reimbursing party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) of the type subject to reimbursement herein, then the reimbursing party shall, in lieu of reimbursing such Protected Party, and to the extent permitted by applicable law, contribute to the amount paid or payable by such Protected Party as a result of such losses, claims, damages or liabilities (or actions in respect thereof). In the case of the Issuer and the Underwriter, contribution shall be in such proportion as is appropriate to reflect the relative benefits received by the Issuer, on the one hand, and the Underwriter, on the other, from the sale of the Bonds. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then the reimbursing party shall contribute, to the extent permitted by applicable law, to such amount paid or payable by such Protected Party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Issuer, on the one hand, and the Underwriter, on the other, in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or action in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Issuer, on the one hand, and the Underwriter, on the other, shall be deemed to be in the same proportion as the total proceeds of the sale of the Bonds paid to the Issuer pursuant to Section A hereof (before deducting expenses) bear to the underwriting discount received by the Underwriter (the difference between the initial public offering price for the Bonds and the price to be paid therefor by the Underwriter as set forth in the

Official Statement under the caption “OTHER INFORMATION -- UNDERWRITING”). The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or the Underwriter and the parties’ relative intent, knowledge, access to information, and opportunity to correct or prevent such untrue statement or omission. The Issuer and the Underwriter agree that it would not be just and equitable if contribution pursuant to this Section M.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section M.4. The amount paid or payable by any Protected Party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other expenses reasonably incurred by such Protected Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section M.4, however, the Underwriter shall not be required to contribute an amount in excess of the amount by which such initial public offering price exceeds the amount of any damages which the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 10(b) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriter’s obligations in this Section M.4 to contribute are several in proportion to their respective underwriting obligations and not joint.

(a) The Issuer shall, or shall cause the Dissemination Agent to, not later than nine (9) months after the end of each fiscal year of the Issuer (commencing with the Issuer Annual Report for its 2010 fiscal year ending June 30, 2010 (which Issuer Annual Report is due not later than March 31, 2011)), provide to the MSRB an Issuer Annual Report which is consistent with the requirements of Section 5 hereof. The Issuer Annual Report must be submitted in the Required Electronic Format and accompanied by such identifying information as is prescribed by the MSRB, and may cross-reference other information as provided in Section 5 hereof. The Trustee and the Dissemination Agent shall have no duty or obligation to review such Issuer Annual Report. If the Trustee is unable to verify that the applicable Issuer Annual Report has been filed with the MSRB by the date required in Section 4(a) hereof, the Trustee shall, in a timely manner, send a notice to the MSRB and any State Repository in substantially the form attached as Exhibit A hereto.

(c) The Dissemination Agent shall, upon verification of the filing of an Issuer Annual Report filed by the Dissemination Agent on behalf of the Issuer, file a report with the Issuer and the Trustee certifying that such Issuer Annual Report has been filed with the MSRB pursuant to this Agreement and stating the date of such filing.

(a) Audited financial statements of the Issuer for its preceding fiscal year, prepared by an Independent Accountant in accordance with the Accounting Standards (or such other accounting principles as the Issuer may be required to employ from time to time pursuant to State law or regulation). If the Issuer's audited financial statements are not available by the time the Issuer Annual Report is required to be provided to the MSRB pursuant to Section 4(a) hereof, the Issuer Annual Report shall contain unaudited financial statements in the format required by the Accounting Standards for audited financial statements as far as reasonably practicable, and the audited financial statements shall be provided to the MSRB in the same manner as the Issuer Annual Report when they become available; and

(b) To the extent not included in the audited financial statements of the Issuer, the Issuer Annual Report shall also include financial information and operating data with respect to the Convention Center Project containing essentially the same type of information as specified and included in the sections of the Official Statement captioned as follows:

For purposes of this Section 6(b), “actual knowledge” of the occurrence of such Issuer Listed Events shall mean actual knowledge by the officer at the corporate trust office of the Trustee with regular responsibility for the administration of matters related to the Indenture. The Trustee shall have no responsibility to determine the materiality of any of the Issuer Listed Events.

(c) Whenever the Issuer obtains knowledge of the occurrence of an Issuer Listed Event, whether because of a notice from the Trustee pursuant to Section 6(b) hereof or otherwise, the Issuer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(d) If the Issuer determines that knowledge of the occurrence of an Issuer Listed Event would be material under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to Section 6(f) hereof.

(e) If, in response to a request under Section 6(b) hereof, the Issuer determines that the Issuer Listed Event would not be material under applicable federal securities laws, the Issuer shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence.

(f) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of an Issuer Listed Event, the Dissemination Agent shall file a written notice of such occurrence with the MSRB in the Required Electronic Format, accompanied by such identifying information as is prescribed by the MSRB.

SECTION 7. Metropolitan Government Undertaking.

(a) The Metropolitan Government shall, or shall cause the Dissemination Agent to, not later than nine (9) months after the end of each fiscal year of the Metropolitan Government (commencing with the Metropolitan Government Annual Report for its 2010 fiscal year ending June 30, 2010 (which Metropolitan Government Annual Report is due not later than March 31, 2011)), provide to the MSRB a Metropolitan Government Annual Report which is consistent with the requirements of Section 8 hereof. The Metropolitan Government Annual Report must be submitted in the Required Electronic Format and accompanied by such identifying information as is prescribed by the MSRB, and may cross-reference other information as provided in Section 8 hereof. If the Metropolitan Government's fiscal year changes, it shall give notice of such change in the same manner as for a Metropolitan Government Listed Event under Section 9(a) hereof. The Metropolitan Government Annual Report shall identify the Series 2010 Bonds by name and CUSIP number.

(b) In the event the Metropolitan Government elects to comply with the undertaking of the Metropolitan Government set forth in Section 7(a) hereof through the Dissemination Agent, the Metropolitan Government shall, not later than 15 Business Days prior to the date on which the Metropolitan Government Annual Report is due to be filed, provide the Metropolitan Government Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). If, by such date prior to the date on which the Metropolitan Government Annual Report is to be filed, the Trustee has not received a copy of such Metropolitan Government Annual Report, the Trustee shall contact the Metropolitan Government and the Dissemination Agent (if other than the Trustee) to confirm that the Metropolitan Government has complied or will comply directly with the undertaking of the Metropolitan Government set forth in Section 7(a) hereof. The Dissemination Agent and the Trustee may conclusively rely upon receipt of a Metropolitan Government Annual Report as a certification by the Metropolitan Government that such Annual Report constitutes the Metropolitan Government Annual Report required to be filed by the Metropolitan Government hereunder. The Trustee and the Dissemination Agent shall have no duty or obligation to review such Metropolitan Government Annual Report. If the Trustee is unable to verify that the applicable Metropolitan Government Annual Report has been filed with the MSRB by the date required in Section 7(a) hereof, the Trustee shall, in a timely manner, send a notice to the MSRB and any State Repository in substantially the form attached as Exhibit B hereto.

(c) The Dissemination Agent shall, upon verification of the filing of a Metropolitan Government Annual Report filed by the Dissemination Agent on behalf of the Metropolitan Government, file a report with the Metropolitan Government and the Trustee certifying that such Metropolitan Government Annual Report has been filed with the MSRB pursuant to this Agreement and stating the date of such filing.

SECTION 8. Content of Metropolitan Government Annual Report. The Metropolitan Government Annual Report shall contain the following:

(a) Audited financial statements of the Metropolitan Government for its preceding fiscal year, prepared by an Independent Accountant in accordance with the Accounting Standards (or such other accounting principles as the Metropolitan Government may be required

to employ from time to time pursuant to State law or regulation). If the Metropolitan Government's audited financial statements are not available by the time the Metropolitan Government Annual Report is required to be provided to the MSRB pursuant to Section 7(a) hereof, the Metropolitan Government Annual Report shall contain unaudited financial statements in a format similar to the financial statements available at the electronic link provided in "APPENDIX E" to the final Official Statement, and the audited financial statements shall be provided to the MSRB in the same manner as the Metropolitan Government Annual Report when they become available; and

(b) To the extent not included in the audited financial statements of the Metropolitan Government, the Metropolitan Government Annual Report shall also include the following:

(i) quantitative financial information and operating data with respect to the Metropolitan Government of the general type available at the electronic link provided in "APPENDIX E" to the Official Statement; and

(B) "APPENDIX F – SUPPLEMENTAL INFORMATION REGARDING THE METROPOLITAN GOVERNMENT."

Historical financial and operating data of the type of information specified above will include information for the preceding five fiscal years of the Metropolitan Government. Any or all of the items listed above in this Section 8 may be set forth in one or a set of documents or may be included by specific reference to other documents that have been made available to the public on the MSRB Website or filed with the SEC. The Metropolitan Government shall clearly identify each such other document so included by reference.

SECTION 9. Reporting of Metropolitan Government Listed Events.

(a) Pursuant to the provisions of this Section 9, the Metropolitan Government shall give, or cause to be given, notice to the MSRB, in a timely manner in the Required Electronic Format, of any of the following events with respect to the Series 2010 Bonds, if material:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;

- (v) substitution of credit or liquidity providers, or their failure to perform;
- (vi) adverse tax opinions or events affecting the Series 2010 Bonds or affecting the tax-exempt status of the Issuer's \$ _____ Tourism Tax Revenue Bonds, Series 2010A-1 or the Issuer's \$ _____ Subordinate Tourism Tax Revenue Bonds, Series 2010B-1;
- (vii) modifications to rights of holders of the Series 2010 Bonds;
- (viii) Series 2010 Bond calls;
- (ix) defeasances;
- (x) release, substitution or sale of property securing repayment of the Series 2010 Bonds; and
- (xi) rating changes.

(b) The Trustee shall, within one Business Day (or as soon as reasonably practicable thereafter) of obtaining actual knowledge of the occurrence of any of the Metropolitan Government Listed Events, contact the Metropolitan Government Disclosure Representative, inform such person of the event, and request that the Metropolitan Government promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to Section 9(f) hereof. For purposes of this Section 9(b), "actual knowledge" of the occurrence of such Metropolitan Government Listed Events shall mean actual knowledge by the officer at the corporate trust office of the Trustee with regular responsibility for the administration of matters related to the Indenture. The Trustee shall have no responsibility to determine the materiality of any of the Metropolitan Government Listed Events.

(c) Whenever the Metropolitan Government obtains knowledge of the occurrence of a Metropolitan Government Listed Event, whether because of a notice from the Trustee pursuant to Section 9(b) hereof or otherwise, the Metropolitan Government shall as soon as possible determine if such event would be material under applicable federal securities laws.

(d) If the Metropolitan Government determines that knowledge of the occurrence of a Metropolitan Government Listed Event would be material under applicable federal securities laws, the Metropolitan Government shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to Section 9(f) hereof.

(e) If, in response to a request under Section 9(b) hereof, the Metropolitan Government determines that the Metropolitan Government Listed Event would not be material under applicable federal securities laws, the Metropolitan Government shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence.

The Dissemination Agent shall be paid compensation by the Issuer for its services provided hereunder in accordance with its schedule of fees as amended from time to time and all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder. GENERAL SAFETY AND PROJECT RULES / CODE OF SAFE PRACTICES

It is our intention to provide and maintain a totally safe and healthy job site. **Your commitment to safety is a condition for continuous employment on this project.**

EVACUATION

In the event of a fire or any time project evacuation is required, all personnel on site will **be** informed. (See Evacuation Plan)

YOU SHALL IMMEDIATELY:

Cease all work and shut off all electrical equipment, including welding machines, air compressors, etc.

Close valves on gas cylinders.

WALK! (DO NOT RUN OR JUMP FROM ELEVATED POSITIONS) to the designated assembly points. Remain at the assembly point until the all-clear signal is sounded. Be prepared to follow the directions from your supervisor.

FIRST AID

All injuries are to be reported to your supervisor and the site Safety Manager immediately. **DO NOT LEAVE THE SITE WITHOUT REPORTING AN INJURY; REGARDLESS OF HOW MINOR YOU MAY THINK IT IS.**

Injuries requiring a doctor's care will require a medical authorization form.

If we have an employee injured on our job we want the best medical care possible. However, if we have any injury that we suspect is fraudulent we will spare no expense investigating and prosecuting.

A post-accident drug screen may be required.

PROTECTIVE EQUIPMENT

HEAD PROTECTION

A hard hat must be worn at all times once entering the work area. Areas of exception are offices; equipment with fully enclosed cabs, lunch and break periods provided no work is going on in the immediate area.

Approved hardhats include both plastic and fiberglass hats that meet ANSI Z89.1 standards for Class II and I only. Metal hardhats, cowboy type, or bump caps are not considered approved head protection and shall not be used.

In Association with **harmony**

EYE AND FACE PROTECTION

Appropriate eye protection (ANSI Z87) with side shields is required to be worn by all personnel on the construction site at all times.

When grinding or buffing, a face shield with approved safety glasses will be required.

When cutting or burning, approved burning goggles will be required.

When welding, a welding hood and lens with an appropriate number filter with a hard hat will be worn.

Chemical goggles are required to be worn when working with corrosive or toxic material.

REFLECTIVE VESTS

All individuals shall wear reflective vests or highly visible fluorescent shirts up to a point where equipment traffic and/or material movement is negligible, the building structure is fully enclosed, and as determined by the Project Superintendent and Project Safety Manager.

RESPIRATORY AND HEARING PROTECTION

Respiratory and/or hearing protection is required in designated areas and or when performing specific tasks.

Employees must be clean-shaven prior to using a respirator.

BARRICADES

Barricade tape is not to be used in lieu of physical barricades for floor, hole, wall openings or when permanent handrails have been removed.

Yellow barricade tape indicates to use caution when approaching or entering the area.

Red Barricade tape requires authorization to enter area. Anyone entering area without authorization is subject to disciplinary action.

****Remove tape after task is complete and caution and hazard warning are no longer necessary.

FALL PROTECTION/TIE-OFF

A 100% tie-off policy is in effect anytime you are exposed to a potential of falling more than 6 feet to a lower level.

An approved fall arrest system will be worn when working from unprotected elevations greater than 6 feet and when working in powered man-lifts.

Approved fall arrest systems consist of a full body harness; two shock absorbing lanyards, each with positive locking snap hooks.

Any lifeline, safety harness, or lanyard actually subjected to fall loading shall be removed from service.

LOCKOUT/TAGOUT

Lockout the power sources prior to making adjustments or repairs to any equipment. **DO NOT DEPEND** on the control switch on drills, grinders etc. **UNPLUG THEM.**

ELECTRICAL TOOLS, CORDS

Tools are to be visually inspected by the employee prior to use. Any tool or cord found to be defective shall be taken out of service immediately.

Approved ground fault circuit interrupters shall be used for all temporary wiring except wire temporary lighting.

When using permanent building power that is not protected by ground fault circuit interrupters, the subcontractor shall supply and utilize in-line (pigtail) ground fault circuit interrupters.

Check the RPM rating of grinding wheels or discs. The RPM rating must be greater than that of the driver.

Tools and guard are not to be altered.

Electrical cords and welding leads will be maintained at a 7-foot level (if possible), avoiding pinch points and creating trip hazards.

Do not tie electric cords to metal rods or nails or use tie wire to secure them.

LADDERS

Ladders must be free from defects.

Place the ladder so that the base is out $\frac{1}{4}$ the distance of the height.

In Association with **harmony**

Ladders shall be tied at the top or secured at the base.

No extension ladder shall extend its full length; overlap at least 3 rungs. Stepladders shall be fully extended and locked in position.

Only one employee, at a time, shall work off a stepladder.

Do not stand or sit on the top of top two rungs of a stepladder.

SCAFFOLDS

All scaffolds, platform, and staging must be completely decked, with decking secured, and shall be built with standard handrails and toe boards on open sides and ends.

The footing for scaffolds shall be sound and capable of carrying the maximum intended load.

No scaffold shall be erected, moved, dismantled or altered except under the supervision of a competent person.

EXPLOSIVE ACTUATED TOOLS

Employees must be trained and card carrying before they may use these tools.

CLOTHING

Sleeve-less shirts, tank tops, half shirts are not permitted.

All employees shall wear sturdy work-boots while on the project. Some tasks may require additional foot protection.

JEWELRY

Good judgment shall be used as to what type of jewelry will not constitute a hazard. For instance, earrings or chains that could get caught in machinery are not allowed.

COMPRESSED GAS CYLINDERS

Compressed gas cylinders will be capped, tied-off, or otherwise properly stored when not in use.

Cylinders must remain in the upright position at all times.

Keep protective caps in place

No oil or grease is to be used on valve or gauges.

Oxygen cylinders in storage must be separated from fuel-gas cylinders by at least 20 feet, or by a 5-foot non-combustible barrier with a half-hour fire rating.

All carts/buggies used to hold cylinders more than 24 hours shall have a permanently affixed non-combustible barrier with a fire rating of at least half-hour fire rating.

LIFT CAREFULLY

Like everything else, the right way to lift is easier and safer. If the load is too heavy, **GET HELP**. Do not lift with your back, bend your knees and get close to the load.

THINK FIRST...LIFT SECOND

LIFTING AND/OR SWINGING LOADS

Do not walk under a suspended load or permit others to do so.

Barricade the lift area to control access into the area.

Never pick up a load in excess of the capacity of the equipment.

Only one person at a time will give signals to operator.

Tag lines will be used to control loads.

Never leave a suspended load unattended.

Never ride on a load, crane hook, headache ball, or forks of a lift truck.

RIGGING

Inspect all rigging before use.

Use approved method to fasten hoisting equipment together.

The Manufacturer's recommendations shall be followed in determining the safe working loads of hooks.

CHAIN BLOCKS

When using chain blocks, inspect and check for proper operation using a test load before making a critical lift.

Know how much you are lifting and the chain block ratings.

No more than one person at a time shall pull on the chain of a block.

Straighten chains and make every link seat before lifting. Never jerk or put any strain on a kinked chain.

Use appropriate or rated material to suspend or anchor chain blocks.

EQUIPMENT OPERATIONS

Operators must be trained for the type of equipment being operated. The subcontractor shall provide proof of competency for all individuals operating heavy equipment.

ACCESS

Climbing, sliding down columns or diagonal bracing is not permitted. Walking elevated beams and pipe without being tied off is not permitted.

HOUSEKEEPING

Work areas shall be kept sufficiently clean and orderly so that construction activity can proceed efficiently and produce and maintain quality work.

Where large accumulations of materials occur on a non-routine basis, such as the stripping of concrete forms, the material shall be promptly removed or stored neatly away from heavily traveled areas.

Garbage, trash, scrap litter, and other excess materials shall be collected, and removed from the job site, or disposed of daily.

HAZARD COMMUNUCATION

Handling and storage are the two most common causes of accidents with chemicals. There are several ways that the information is relayed to the employee:

Container labeling – labels give you information about immediate hazards associated with the chemical.

Material Safety Data Sheets (MSDS) give you detailed information about the chemical – physical and health hazards, First Aid, fire fighting, protective equipment, etc.

KNOW WHAT YOU ARE HANDLING, Read the label, and if there is any doubt, ask your supervisor, safety department or consult the MSDS.

PARKING AND MOTOR VEHICLES

There is no parking allowed on-site.

ABSOUTLY NO SMOKING ON THE JOBSITE

There is no smoking allowed on the jobsite at any time. Suspension and/or termination if anyone is caught smoking on the site.

COMPLIANCE AND DISCIPLINE

Fighting, possession or use of illegal drugs or weapons, or flagrant violations or disregard for project safety rules will result in immediate and permanent termination.

Violation of OSHA/project safety requirements

- **Verbal Warning:** As the first step in correcting unacceptable behavior or minor infractions, a verbal warning will be issued to an employee. This verbal warning will be documented.
- **Written Warning:** If the unacceptable performance continues, or the severity of the infractions warrants, the next step will be a written warning. The written warning will clearly state the safety policy that was violated and steps the employee must take to correct.
- **Suspension/Termination:** If the unacceptable practice continues, or the severity of the infraction warrants, the employee will be given time off with out pay.
- **Immediate Termination:** Any employee who commits a serious safety violation may be subject to immediate termination without prior notice in lieu of any prior verbal and/or written warnings.

Project workers who are terminated from the project for disciplinary reasons related to violations of safety may not return to the project as an employee of the company they worked for at the time of termination or for any other employer. Further, they may not work on any other Clark projects for at least 180 days. If a suspended employee wishes to return to a Clark project they must meet with the Regional Safety Director and demonstrate a significant change in attitude toward safety prior to being allowed access to Clark projects.

In Association with **harmony**

GENERAL

See attached Code of Safe Practices

Subject: Code of Safe Practices

32. Overhead protection structures are to be used to enter or exit a building when they are provided.
33. Areas that are separated from the main work areas by warning lines, control lines or barricades must not be entered by unauthorized employees. These areas are blocked off for safety reasons, and they may contain hazards that are not obvious.
34. A full-body harness or other approved means must be used for fall protection at unguarded floor edges, floor openings and other fall hazards where the fall distance is six feet or more per the "Fall Protection Policy" in this manual. When guardrails, control lines or warning lines are temporarily removed, provisions to prevent unprotected employees from entering the area must be provided.

Subject: Project Emergency Plan

Because unrecognized hazards may result in emergency incidents, it will be the responsibility of all persons on the project to identify and correct all hazards to prevent them from becoming an emergency. Site Superintendents and Safety personnel through daily site inspections, hazard analysis, and employee feedback will ensure that hazards are immediately abated.

Prior to engaging in construction activities all subcontractors will review the emergency procedures. In addition, all site personnel will receive training during their site orientation concerning proper emergency response procedures. These procedures will also be reviewed in weekly superintendents meetings on a regular basis. Toolbox safety meetings will be used to reinforce emergency procedures.

1. Upon becoming aware of an accident or illness, immediately locate the injured or sick employee, ascertain the nature of the injury or sickness, and proceed in accordance with standard recommended first aid practices.
2. Immediately notify the nearest Bell/Clark Superintendent and Safety Manager. Call the proper authorities and make sure they are alerted to the full nature of the incident.
3. Should an ambulance or outside service be required, a responsible individual with a radio/telephone is to be stationed at each jobsite entrance to provide direction to the accident location and to secure the entrance from unauthorized personnel, such as the general public and media.
4. The General Superintendent will direct the emergency, communicating with a radio/telephone, coordinating/ordering any equipment needed for the emergency.

Site Radio/Verbal.**

The Emergency Coordinator (Safety Manager or General Superintendent on site) will notify the superintendents via radio/phone of an evacuation and any changes to the preplanned gathering places. He/She will notify their subcontractor superintendents and foreman.

The immediate subcontractor superintendent is totally responsible for the gathering of all employees in their charge. They will meet at the specified assembly point and account for all members of their crews.

******DESIGNATED ASSEMBLY POINT FOR EVACUATION IS******

5TH AVENUE SOUTH AND FRANKLIN (Bell/Clark Trailer Complex)

******DESIGNATED ASSEMBLY POINT FOR TORNADO SHELTER IS******

BRIDGESTONE ARENA RAMP NEAR GATE 3 – 5TH & DEMONBREUN

All employees must be accounted for during and after an evacuation/tornado event. Therefore it is of the utmost importance that no one leaves the assembly point before being counted and dismissed. Once you have met at the assembly point you will be instructed on the status of the situation and directed to go home, return to work or wait for further instructions.

Once again it is imperative that all employees be accounted for during an emergency situation. Do not leave the evacuation/tornado assembly point until instructed to do so by your superintendent.
