

DRAFT MINUTES: *Subject to change prior to approval by Authority or Committee at its next regular meeting*

**MINUTES OF THE 140th MEETING OF THE
CONVENTION CENTER AUTHORITY OF THE
METROPOLITAN GOVERNMENT OF NASHVILLE &
DAVIDSON COUNTY**

The 140th meeting of the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County (CCA) was held on November 5, 2025 at 9:00 a.m. in the Administrative Conference Room of the Administrative Offices at the Music City Center, Nashville, Tennessee.

AUTHORITY MEMBERS PRESENT: Norah Buikstra, Robert Davidson, Alfred Degrafinreid II, Tracy Hardin, Barrett Hobbs, Christian Cervantes (Designee for Tre Hargett), David Lillard, Vonda McDaniel, **Jason Mumpower, and Seema Prasad

AUTHORITY MEMBERS NOT PRESENT: Dee Patel and Betsy Wills

OTHERS PRESENT: Charles Starks, Heather Jensen, Barbara Solari, Heidi Runion, Mary Anne Morris, Raven Stringer, Kelli Donahoe, Elisa Putman, Sam Jackson, *Erica Saegar, *Mark England, Jordan Yasso, and ***Nikki Jennings

Chair Barrett Hobbs opened the meeting for business at 9:02 a.m. and stated that a quorum was present.

ACTION: Appeal of Decisions from the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County – Pursuant to the provisions of § 2.68.030 of the Metropolitan Code of Laws, please take notice that decisions of the Convention Center Authority may be appealed if and to the extent applicable to the Chancery Court of Davidson County for review under a common law writ of certiorari. These appeals must be filed within sixty days after entry of a final decision by the Authority. Any person or other entity considering an appeal should consult with private legal counsel to ensure that any such appeals are timely and that all procedural requirements are met.

Chair Hobbs announced that due to lack of action items the December meeting is cancelled. The next regularly scheduled meeting will be Wednesday, January 7, 2026, at 9:00 a.m.

Mr. Hobbs read the Mission Statement of the Music City Center. (Attachment #1)

There were no public comment requests received for this meeting. (Attachment #1)

ACTION: Alfred Degrafinreid made a motion to approve the 139th Meeting Minutes of October 2, 2025. The motion was seconded by Norah Buikstra and approved unanimously by the Authority.

Mr. Starks and Committee Chair Tracy Hardin were asked to report on the Finance & Audit Committee meeting. Erica Saeger and Mark England from Crosslin, PLLC were introduced to give the audit presentation. (Attachment #1 and #2)

Erica Saeger reviewed the audit of the Employee Savings' Trust and there was discussion. (Attachment #3)

Mark England then reviewed the final audited financial statements and there was discussion. (Attachment #4)

Mr. Starks noted that both of these audits were recommended for approval by the Finance and Audit Committee last week.

ACTION: Tracy Hardin made a motion accepting the audit of the Financial Statements of the Convention Center Authority of the Metropolitan Government of Nashville & Davidson County as of June 30, 2025. The motion was seconded by Robert Davidson and approved unanimously by the Authority.

ACTION: Norah Buikstra made a motion accepting the audit of the Employees' Savings Trust of the Convention Center Authority as of December 31, 2024. The motion was seconded by Seema Prasad and approved unanimously by the Authority.

Mary Anne Morris was recognized for her years of service with Metro and the CCA as she will be retiring this month. Raven Stringer was introduced as the controller for the MCC. Robert Davidson recognized the team for their excellent work and clean audits.

*Denotes departure of Erica Saeger and Mark England

Chair Hobbs then asked Charles Starks and Committee Chair Norah Buikstra to give an update on the Community Relations, Marketing, & Operations Committee meeting. Mr. Starks reported that during the committee meeting territories, goals, and the incentive plan for the sales team were reviewed. He noted that the goals and incentive plan were approved by the committee and do not require full board approval. There was discussion including what concerns attendees and planners have about Nashville, how the different market regions are doing, and any changes in strategic plans going forward.

Mr. Starks was then asked to discuss a Vegas Loop site visit for the CCA board members. He said that a group visit for the board to tour and ride in the loop, see the command center, and observe the building process is being planned for December 15-16, 2025. There was discussion and Mr. Davidson said that he did not feel the trip was ordinary and necessary and if members of the board want to go, they should pay on their own. There was discussion about the goals of going on the site visit and that if we begin negotiating an agreement with the Boring Company it would be helpful for the board members to see for themselves how it works and if they feel it would be beneficial for the MCC, attendees, and the community before making the decision of whether or not to have a station at the MCC. Sam Jackson mentioned he felt it would be necessary for him and his associate, Chris Raybeck, to go on the site visit at their own expense. There was additional discussion.

****Denotes departure of Jason Mumpwer at 10:01 a.m.**

ACTION: Seema Prasad made a motion to proceed with a trip to Las Vegas December 15-16, 2025 with members of the CCA board that are able and want to participate in a site visit of the Vegas Loop. The motion was seconded by Alfred Degrafinreid and approved by the following vote: Yes (6): Buikstra, Degrafinreid, Hardin, Hobbs, McDaniel, and Prasad; No (1): Davidson; Abstain (0).

ACTION: Tracy Hardin made a motion approving the Convention Center Authority paying for the board members' hotel, airfare, and standard per diem for the previously approved site visit to Las Vegas from the MCC operating funds not to exceed \$2000 per person. The motion was seconded by Vonda McDaniel and approved by the following vote: Yes (6): Buikstra, Degrafinreid, Hardin, Hobbs, McDaniel, and Prasad; No (1): Davidson; Abstain (0).

Mr. Starks then reviewed monthly statistics including hotel data and tax collections (Attachment #1), and there was discussion.

*****Denotes departure of Nikki Jennings**

Mr. Starks also shared the final cost of the carpet installation that will happen later this year. The CCA previously approved \$2 million, and the total cost came in just under \$1.2 million.

With no additional business, the Authority unanimously moved to adjourn at 10:28 a.m.

Respectfully submitted,

Charles L. Starks
President & CEO
Convention Center Authority

Engagement Team Members

Responsibilities

Crosslin, PLLC

Expressing opinions about whether the financial statements prepared by management under the oversight of the Finance and Audit Committee are fairly presented, in all material respects in conformity with U.S. generally accepted accounting principles

Performing our audits in accordance with professional standards, including *Government Auditing Standards*.

Maintaining independence and an attitude of professional skepticism throughout the audits

Reporting to the Finance and Audit Committee and management required information, including, but not limited to, significant deficiencies in internal control, instances of noncompliance, and fraud noted during our audits

Management

Fairly presenting financial statements in conformity with U.S. generally accepted accounting principles

Adopting proper accounting policies

Establishing and maintaining effective internal control over financial reporting and compliance

Preventing and detecting fraud

Disclosing to the Finance and Audit Committee and Crosslin, PLLC significant deficiencies in internal control and fraud involving those with significant roles in internal control

Independence

- The AICPA's Code of Professional Conduct, Rule 101, sets forth guidance for assurance services provided by accountants under U.S. generally accepted auditing standards. *Government Auditing Standards*, Chapter 3, provides additional guidance for financial audits performed under generally accepted government auditing standards.
- Both sources direct that independence is required both in fact and appearance. Crosslin, PLLC has established quality control policies and procedures to ensure compliance with professional standards, including those related to independence.
- Crosslin, PLLC is independent with respect to the Convention Center Authority.

Fraud Risk

The AICPA issued SAS No. 99 to specifically address the risk of material misstatement in the financial statements caused by fraud. We use a four-pronged strategy to address this risk.

Gather information

- Engagement team brainstorming
- Inquiries with management, finance and accounting personnel, and other personnel
- Investigate unusual or unexpected relationships identified through analytical procedures

Test for management override

- Review current and prior year significant estimates for inappropriate bias
- Evaluate business rationale for significant unusual transactions
- Analyze propriety of manual adjusting journal entries

Respond to identified risks

- Design of nature, timing, extent of procedures incorporating elements of unpredictability
- Leverage experienced personnel in areas of exposure
- Test items below established scopes

Evaluate audit evidence

- Disseminate results of audit procedures among audit team
- Remain cognizant of fraud risk factors throughout the audit
- Correlate information gathered and tested in all areas and consider discrepancies, conflicting or unusual evidence and responses, and problematic relationships
- Communicate to appropriate levels of management and the Finance and Audit Committee

- Completion and Reporting

Audit Methodology and Approach - continued

Audit Planning and Risk Assessment

Rather than following linear processes, risk assessment was performed cyclically as expectations were made and subsequently validated or refuted by audit evidence.

Our preliminary risk assessment indicates the following primary areas in which we documented and evaluated controls and performed substantive tests to address risk of material misstatement and noncompliance due to error or fraud.

Controls Evaluation

- Cash receipts and revenues
- Purchasing, disbursements and expenses
- Employee Compensation
- IT controls over significant accounting systems
- Compliance

Substantive Tests

- Cash and investments
- Receivables
- Capital assets
- Accounts payable and accrued expenses
- Bonds payable
- Net position
- Charges for services
- Operating expenses
- Tourism tax and other revenue
- Compliance

This representation letter is provided in connection with your audits of the financial statements of the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee ("CCA"), a component unit of the Metropolitan Government of Nashville and Davidson County, Tennessee, which comprise the statements of net position as of June 30, 2025 and 2024, and the statements of revenues, expenses, and changes in net position and statements of cash flows for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 31, 2025, the following representations made to you during your audits.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter, dated May 27, 2025, including our responsibility for the preparation and fair presentation of the financial statements and for preparation of the supplementary information in accordance with the applicable criteria.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP and include all financial information of CCA required by generally accepted accounting principles to be included in the financial reporting entity.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 5) The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
- 6) Related party relationships and transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- 7) Adjustments or disclosures have been made for all events, including instances of noncompliance, subsequent to the date of the financial statements that would require adjustment to or disclosure in the financial statements.
- 8) The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
- 9) Guarantees, whether written or oral, under which CCA is contingently liable, if any, have been properly recorded or disclosed.

Information Provided

- 10) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, minutes, documentation, and other matters and all audit or relevant monitoring reports, if any, received from funding sources.
 - b) Additional information that you have requested from us for the purpose of the audit.
 - c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d) Minutes of the meetings of CCA or summaries of actions of recent meetings for which minutes have not yet been prepared.

- 11) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 12) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 13) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 14) We have no knowledge of any allegations of fraud or suspected fraud affecting the entity's financial statements communicated by employees, former employees, regulators, or others.
- 15) We have no knowledge of instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse, whose effects should be considered when preparing financial statements.
- 16) We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.
- 17) We have disclosed to you the names of the entity's related parties and all the related party relationships and transactions, including any side agreements.

Government-specific

- 18) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 19) We have identified to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
- 20) We have identified to you any investigations or legal proceedings that have been initiated with respect to the period under audit.
- 21) CCA has no plans or intentions that may materially affect the carrying value or classification assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position.

- 22) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits and debt contracts; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
- 23) We have appropriately identified, recorded, and disclosed all leases in accordance with [GASB Statement \(GASBS\) No. 87](#).
- 24) We have appropriately identified, recorded, and disclosed subscription-based information technology arrangements in accordance with [GASBS No. 96](#), if applicable.
- 25) We have appropriately measured, recorded, and disclosed compensated absences and other salary-related payments in accordance with [GASBS No. 101](#).
- 26) There have been no instances of fraud or noncompliance with provisions of laws and regulations that we believe have a material effect on the financial statements or other financial data significant to the audit objectives, or any other instances that warrant the attention of those charged with governance.
- 27) There have been no instances of noncompliance with provisions of contracts and grant agreements that we believe have a material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.
- 28) There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
- 29) As part of your audit, you assisted with the preparation of the financial statements and disclosures. We acknowledge our responsibility as it relates to those nonaudit services, including that we assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services. We have reviewed, approved, and accepted responsibility for those financial statements and disclosures.

- 30) CCA has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 31) CCA has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 32) CCA has no joint ventures with an equity interest.
- 33) The financial statements properly classify all funds and activities.
- 34) Components of net position (net investment in capital assets; restricted; and unrestricted) are properly classified and, if applicable, approved.
- 35) Investments and derivative instruments are properly valued.
- 36) Provisions for uncollectible receivables have been properly identified and recorded.
- 37) Expenses have been appropriately classified in or allocated to functions and programs in the statement of revenue, expenses, and changes in net position, and allocations have been made on a reasonable basis.
- 38) Revenues are appropriately classified in the statement of revenues, expenses, and changes in net position within operating and nonoperating revenues.
- 39) Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
- 40) Deposits and investment securities and derivative instrument transactions are properly classified as to risk and are properly disclosed.
- 41) Capital assets, including intangible assets, are properly capitalized, reported, and, if applicable, depreciated. Additionally, capital assets, including intangible assets have been evaluated for impairment as a result of significant and unexpected decline in service utility. Impairment loss and insurance recoveries have been properly recorded.
- 42) We believe that the actuarial assumptions and methods used to measure pension liabilities and costs for financial accounting purposes are appropriate in the circumstances.
- 43) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the presentation of the RSI.

44) With respect to the schedule of changes in long-term debt by individual issue:

- a) We acknowledge our responsibility for presenting the schedule of changes in long-term debt by individual issue in accordance with accounting principles generally accepted in the United States of America, and we believe the schedule of changes in long-term debt by individual issue, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America. The methods of measurement and presentation of the schedule of changes in long-term debt by individual issue have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
- b) If the schedule of changes in long-term debt by individual issue is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the supplementary information no later than the date we issue the supplementary information and the auditor's report thereon.

45) With respect to the organization chart and list of authority members (other information):

- a) We acknowledge that we have informed you of all documents that may comprise other information we expect to issue. The financial statements and other information you obtained prior to the auditor's report date are consistent with one another, and the other information does not contain any material misstatements.
- b) With regard to the other information that will be included in the annual report that has not been obtained by you prior to the auditor's report date, we intend to prepare and issue the other information, as well as communicate the expected timing of issuance, and provide you with the final version of the document(s) when available and prior to the issuance of the annual report.

Independent Auditor's Report

The Plan Administrator
The Convention Center Authority of the Metropolitan
Government of Nashville and Davidson County
Employees' Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Convention Center Authority of the Metropolitan Government of Nashville and Davidson County Employees' Savings Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of fiduciary net position as of December 31, 2024 and 2023, and the related statements of changes in fiduciary net position for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Omission of Required Supplemental Information

Management has omitted Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our report on the basic financial statements is not affected by this missing information.

A. DESCRIPTION OF THE PLAN

The following description of The Convention Center Authority of the Metropolitan Government of Nashville and Davidson County Employees' Savings Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, adopted effective January 1, 2013, is a defined contribution pension plan covering substantially all employees hired directly by the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Employer" or the "Authority") who are at least 18 years of age. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Authority under the provisions of Tennessee Code Title 7, Chapter 89.

Capital Group/American Funds serves as the record keeper of the Plan and maintains and administers the Plan's records and investment allocations for the benefit of participants. Capital Bank and Trust is the custodian of the Plan assets.

Contributions

Upon achieving eligibility to participate in the Plan, employees must elect to participate or not participate in the Plan. Participants may contribute up to the maximum amount allowed by federal law and direct the investment of their contributions into various investment options offered by the Plan. The Employer matches 100% of employee contributions up to 3% of salary and 50% of employee contributions up to 5% of salary.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Membership

As of December 31, 2024 and 2023, the Plan had 199 and 193 participants, respectively.

A. DESCRIPTION OF THE PLAN - Continued

Vesting

Participants are immediately vested in their contributions, rollover contributions, and actual earnings thereon. Employer contributions to the Plan through December 31, 2019, vest 20% at the end of each participant's first year of service and then vest 20% per year, plus actual earnings thereon for each year of credited service, as defined by the Plan document. These Employer contributions are 100% vested after five years of credited service for each Participant. The Plan was amended to become a safe harbor plan effective January 1, 2020. Employer matching contributions to the Plan beginning on or after that date, are 100% vested immediately for all participants, including earnings thereon. For Employer discretionary contributions, the participants are subject to the 5-year vesting schedule.

Forfeitures

Forfeitures are used to reduce future Employer matching contributions or to pay certain administrative expenses of the Plan. Forfeitures totaling \$19,677 and \$849 were used to reduce Employer contributions for 2024 and 2023, respectively. At December 31, 2024 and 2023, unallocated forfeitures totaled \$8,861 and \$24,184, respectively.

Payment of Benefits

On termination of service, whether due to death, disability, retirement, or otherwise, the participant or the beneficiary of the participant shall receive a lump-sum payment in cash. The Plan also permits in-service withdrawals due to financial hardship, in accordance with provisions specified in the Plan document.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Authority, as provided by the Plan document. Expenses that are paid directly by the Authority are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in fiduciary net position. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statements of changes in fiduciary net position.

Participant Loans

Participant loans are not permitted under the Plan.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual basis of accounting, based on standards promulgated by the Governmental Accounting Standard Board (GASB).

The Plan has determined that the appropriate financial reporting framework for the Plan under U.S. generally accepted accounting principles is the framework established by the GASB, not the Financial Accounting Standards Board, because the Authority is an instrumentality of the Metropolitan Government of Nashville and Davidson County as well as a public nonprofit corporation. The impact of reporting under GASB primarily relates to financial statement presentation and classification, as well as certain additional disclosures related to investment risks.

Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable in 2024 or 2023.

C. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. INVESTMENTS

Investment Risk Disclosures

Interest Rate Risk

Interest rate risk is the risk that changes in market rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. Additionally, the fair values of the investments may be highly sensitive to interest rate fluctuations. The Plan has no specific policy to address interest rate risk.

Investment Risk Disclosures - Continued

As of December 31, 2024 and 2023, the Plan had the following fixed income and money market investments with the corresponding average duration:

<u>Type of Investments</u>	<u>2024</u>		<u>2023</u>	
	<u>Average Duration (Years)</u>	<u>Value</u>	<u>Average Duration (Years)</u>	<u>Value</u>
Fixed income mutual funds:				
Western Asset Core Bond IS	6.23	\$9,509	6.76	\$10,675
Money market fund:				
American Funds US Govt MMKT	-	\$8,861	-	\$24,184

Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This risk is measured by the assignment of a rating to each investment by a nationally recognized statistical rating organization. The Plan has no specific policy to address credit risk. Additionally, none of the fixed income funds held by the Plan were rated by nationally recognized statistical rating organizations.

Concentration of Credit Risk

The Plan does not have a policy regarding the concentration of credit risk, since investments are participant directed.

E. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Capital Bank and Trust, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate as of December 31, 2024 and 2023, and for the years then ended:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$3,821,857	\$3,148,834
Collective trust funds	98,216	66,698
Net appreciation in fair value of investments	286,088	372,724
Interest and dividends	151,690	88,399

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

F. INCOME TAX STATUS

The Plan adopted a Defined Contribution Pre-Approved Plan as provided by the Plan's record keeper, Capital Group/American Funds. The IRS has issued an opinion letter dated June 30, 2020, indicating that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan is amended periodically, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by American Funds. American Funds is the record keeper of the Plan's assets and, therefore, qualifies as a party-in-interest.

H. PLAN TERMINATION

Although it has not expressed any intent to do so, the Authority has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
JUNE 30, 2025, 2024 AND 2023

This section of the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee (the Authority) annual financial report presents management's discussion and analysis (MD&A) of financial performance during the years ended June 30, 2025, 2024 and 2023. This MD&A should be read in conjunction with the Authority's financial statements and notes.

Overview of the Financial Statements

The Authority's financial report consists of this MD&A, financial statements, and notes to the financial statements. The Authority's financial statements are prepared using U.S. generally accepted accounting principles applied to government units using the economic resources measurement focus and the accrual basis of accounting where revenues are recognized when earned and expenses are recognized when incurred, regardless of the timing of related cash flows.

All assets, deferred outflows of resources, liabilities, and deferred inflows of resources of the Authority at June 30, 2025 and 2024 are included in the statements of net position. For the years ended June 30, 2025 and 2024, the Authority's revenues and expenses are reported in the statements of revenue, expenses, and changes in net position. The statements of cash flows report cash receipts, cash payments, and net changes in cash resulting from operating, financing, and investing activities.

The Authority's current financial statements reflect robust cash balances and net position, indicating a strong foundation for ongoing operations and financial stability. This strength underscores the Authority's careful fiscal management and revenue generation efforts, ensuring ample resources to support daily functions and immediate commitments. However, looking ahead, the Authority is mindful of maintaining sufficient balances to address, not only debt obligations, but also the substantial capital improvement projects and potential expansion opportunities that may be required to keep the facility competitive and well positioned for long term success.

In September of 2024 the Authority awarded a contract to HVS Convention, Sports & Entertainment, a leading hospitality and consulting services to complete a feasibility study to evaluate the potential need for expansion of the facility. The scope of the study included analysis and review of market trends, competitive facilities, historical performance, and user perspective. The study found that among fifteen comparable venues, including Austin, New Orleans, and Orlando, MCC ranks below average for function space square footage. Additionally, most top-tier facilities have expansion or renovation projects recently completed, underway, or planned, creating a larger gap between the downtown Nashville convention center and its competitors. Overall, the study recommended expansion by an additional 300,000 square feet of exhibit, ballroom, and meeting space. Including necessary operational space, the total recommended expansion is 587,000 square feet.

As of June 30, 2025, the Authority has a cash balance of \$658M, of which \$298M is technically unrestricted. The current total net position of the Authority is \$789M, with \$283M of that balance unrestricted as of June 30, 2025.

The Authority was created to develop, acquire, construct, and then operate a convention center (the Music City Center) within the boundaries of the Metropolitan Government of Nashville and Davidson County, Tennessee (Metropolitan Government). During the year ended June 30, 2010, the Authority issued revenue bonds for and began construction of the Music City Center (MCC). Construction is complete, and operation of the MCC began in May of 2013. As more fully described in the financial statements and notes, the Authority's assets consist primarily of cash, accounts receivable, and other items related to operations, cash and investments restricted for construction and debt service, and capital assets related to the MCC. Liabilities consist primarily of current amounts payable related to operations, debt service, and the revenue bonds payable. The components of net position reflect the nature of the underlying assets and liabilities. Note that \$114.7 million of the Authority's net position of \$789.4 million is invested in capital assets while \$88.2 million is restricted for debt retirement and \$303.6 million is restricted for other purposes.

JUNE 30, 2025, 2024 AND 2023

The Authority's change in net position for the years ended June 30, 2025, 2024 and 2023 was as follows (in thousands of dollars):

	<u>2025</u>	<u>2024</u>	<u>2023</u>
Operating revenue	\$ 46,142	\$ 38,339	\$ 39,278

Net increase in net position	<u>\$ 172,881</u>	<u>\$ 157,670</u>	<u>\$ 84,051</u>

FY2025 operating revenues exceeded the budget for the year and FY24 actuals. Large city-wide events and consistent repeat customers pushed revenues far above initial projections and historical averages. The uptick in operating expenses for the year ended June 30, 2025 was largely driven by personnel expenses, which included annual merit increases and some targeted increases for key positions. Nonoperating revenue, net for the year ended June 30, 2025 increased again in FY25, with strong tourism tax collections and TDZ allocations.

While FY2024 operating revenues exceeded budget for the year, they were slightly down when compared to FY2023. FY2023 had a remarkable number of large, city-wide events that materialized far above expectations. FY2024 had a different business mix, with fewer city-wide events and clients that were scaling back F&B and technology spending. The uptick in operating expenses for the year ended June 30, 2024 was largely driven by personnel expenses, which included annual merit increases and increases driven by our comprehensive compensation study which was implemented in FY2024. Nonoperating revenue, net for the year ended June 30, 2024 increased sharply, with strong tourism tax collections led by unprecedented TDZ allocations. There were no capital contributions for the year ended June 30, 2024.

Capital Assets and Long-Term Debt

During the year ended June 30, 2025, the Authority incurred costs of \$6,044,372 for the addition of various capital assets, including an extensive wireless network refresh, the first phase of an enhanced security platform with upgraded access control and video surveillance equipment implementation. To benefit both security and parking, the addition/upgrade of exterior and 6th Avenue tunnel LPR cameras and the replacement of the radio repeater system were installed. Also, the purchase of various equipment additions/replacements were made throughout the year.

During the year ended June 30, 2024, the Authority incurred costs of \$8,901,532 for the addition of various capital assets, which included continuing extensive core infrastructure technology refreshes, the second phase of a campus-wide card reader and security camera system upgrade, facility digital signage enhancements on all four levels of the event areas, and various equipment additions and replacements.

JUNE 30, 2025, 2024 AND 2023

During the year ended June 30, 2023, the Authority incurred costs of \$4,659,093 for the addition of various capital assets, which included an extensive core infrastructure technology refresh, the first phase of a campus-wide card reader and security camera system upgrade, facility enhancements related to lighting and additional solar panels, and various equipment additions and replacements.

In fiscal year 2010, the Authority issued revenue bonds totaling \$623,215,000, with a premium of \$1,301,329, to finance the construction of the Music City Center. As more fully described in Note F to the financial statements, the revenue bonds were issued in three series: Series 2010A-1, Series 2010A-2, and Series 2010B. The ratings on the revenue bonds at issuance were as follows:

	Series A <u>Bonds</u>	Series B <u>Bonds</u>
Moody's	A2	AA3
Standard & Poor's	A	AA
Fitch	A+	A+

Other Matters

The Authority's board entered into an agreement with Omni Hotels in 2010 to develop a premier convention center hotel adjacent to the Music City Center. Omni privately financed the Omni Hotel at its sole expense, and the Authority will make annual payments to Omni from certain tourism taxes pledged to the Authority by the Metropolitan Government.

The Authority's board entered into an agreement in 2016 with a private developer, Oliver McMillian Spectrum Emery, related to the development of the Fifth + Broadway complex on the previous Nashville Convention Center site. As more fully described in Note I to the financial statements, the Authority funded substantially all of the construction costs of the complex's parking garage and has full ownership of the garage. Upon completion and occupancy of the complex, the Authority entered into an agreement to lease the garage to the private developer for 99 years.

In November 2019, the Authority and the Metropolitan Government entered into a payment in lieu of taxes (PILOT) agreement whereby the Authority will make yearly payments to the Metropolitan Government based on the property tax rate and value of the MCC. This agreement is further described in Note K to the financial statements.

JUNE 30, 2025, 2024 AND 2023

In August 2022, the Authority entered into an MOU with the Nashville Downtown Partnership to provide funding to the NDP in the amount of \$2,000,000. The funds were to be spent as follows: \$341,000 to expand their cleaning footprint; \$352,000 on focused safety services; \$96,000 targeted toward guest hospitality; \$569,000 for CBID participation; \$273,000 to maintain outreach and housing, and \$369,000 to be determined in further support of the foregoing and in consultation with and upon the approval of the Convention Center Authority. This payment was made in August 2022 in accordance with the MOU.

In August 2022, the Authority entered into an MOU with the Metropolitan Government to transfer \$10,256,000 to be restricted to a special purpose fund dedicated to Entertainment District initiatives and special events expenses incurred by Metro's Beer Board, Police, Fire, and Transportation Departments. The transfer was to be made in two equal installments. The first transfer was made in August 2022 and the second was made in December 2022.

In June 2023, the Authority amended the existing August 2022 MOU with the Metropolitan Government to include an additional \$21,700,000 in supplemental funding for security improvements on Broadway Avenue to include retractable and meridian bollards in the vicinity of the MCC and funding for the reconstruction and recovery of 2nd Avenue's streetscape. This payment was made as of June 30, 2023 in accordance with the amendment.

In June 2023, the Authority amended their August 2022 MOU with the Nashville Downtown Partnership to provide an additional \$1,800,000 in funding for the purpose of improving, activating, and staffing the adjacent Hall of Fame Park. This payment was made in accordance with the MOU.

In June 2023, the Authority entered into an MOU with the Metropolitan Government to transfer \$14,040,000 to be restricted to a special purpose fund dedicated to Entertainment District initiatives and special events expenses incurred by Metro's Beer Board, Police, Fire, and Transportation Departments. The transfer was made in two equal installments. The first transfer was made in August 2023 and the second was made in December 2023.

In May 2024, the Authority entered into an MOU with the Metropolitan Government to transfer \$16,972,300 to be restricted to a special purpose fund dedicated to Entertainment District initiatives and special events expenses incurred by Metro's Beer Board, Police, Fire, and Transportation Departments. The transfers were made in two equal installments in August 2024 and December 2024.

In May 2024, the Authority entered into an MOU with the Nashville Downtown Partnership to provide \$2,100,000 in funding directly related to expanded cleaning and safety services, guest hospitality, CBID participation, outreach and housing, and other CCA-approved financial support. This payment was made in accordance with the MOU.

INDEPENDENT AUDITOR'S REPORT

The Audit Committee
Convention Center Authority of the Metropolitan
Government of Nashville and Davidson County, Tennessee

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee (the Authority), a component unit of the Metropolitan Government of Nashville and Davidson County, Tennessee, as of and for the years ended June 30, 2025 and 2024, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of June 30, 2025 and 2024, and the changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1 - 6 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The schedule of changes in long-term debt by individual issue as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of changes in long-term debt by individual issue is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the basic financial statements. The other information comprises the organization chart and authority members but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

The Audit Committee
Convention Center Authority of the Metropolitan
Government of Nashville and Davidson County, Tennessee

Attachment #4
Convention Center Authority Meeting
11/05/2025

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2025, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee (the Authority) was formed by Resolution of the Metropolitan Council of the Metropolitan Government of Nashville and Davidson County, Tennessee (the Metropolitan Government) on August 10, 2009 (date of inception) under the State of Tennessee Convention Center Authorities Act of 2009. The Authority is governed by a nine-member board of directors appointed by the mayor and confirmed by the Metropolitan Council. The Authority was responsible for the acquisition, development, and construction of a new convention center, the Music City Center, which was completed in May of 2013. The Authority is now responsible for the operation of the Music City Center.

The Authority is a public nonprofit corporation and public instrumentality of the Metropolitan Government and is a component unit of the Metropolitan Government (primary government). The Authority and the Metropolitan Government have entered into an interlocal agreement for the Metropolitan Government to provide comprehensive financial management services to the Authority, among other services. Accordingly, the accounting policies of the Authority are the same as those adopted by the Metropolitan Government.

The accounting policies of the Authority conform to U.S. generally accepted accounting principles as applied to government units. The Authority's most significant accounting policies are summarized below.

Basis of Accounting

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Assets, Liabilities, Revenues, and Expenses

Cash and cash equivalents - Cash and cash equivalents include amounts in demand deposits and highly liquid short-term investments with maturity dates within three months of the date of acquisition and other available pooled funds. The Authority also participates in the Metropolitan Government's Investment Pool.

Investments - Investments consist primarily of U.S. government securities and are stated at fair value. Investment income consists of interest earned on investments and realized and unrealized appreciation or depreciation in the fair value of investments.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Amounts due from and due to the primary government - Amounts due from the primary government consist primarily of certain tourism tax revenues collected by the Metropolitan Government and pledged to the Authority for the repayment of revenue bonds, which are accrued as those taxes are earned by the Metropolitan Government. Such amounts are remitted to the Authority and are reported as tourism tax revenue, a nonoperating revenue of the Authority. Amounts due to the primary government consist primarily of payments due for services provided by the Metropolitan Government to the Authority that are accrued as those services are provided and for reimbursement for certain goods and services purchased by the Metropolitan Government on behalf of the Authority.

Restricted assets - Restricted assets consist of bond proceeds restricted for debt service reserve funds and of amounts accumulated for capital projects and other purposes. Assets in the debt service reserve funds and assets in the debt service funds are held by a trustee and are not available to the Authority for other purposes. When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

Capital assets - Major outlays for capital assets and improvements and all expenses incurred in support of construction were capitalized as projects were constructed. Net interest cost incurred during the construction of facilities was capitalized as part of the cost of those facilities. Capital assets are generally defined as assets with individual cost in excess of \$15,000 and a useful life in excess of one year. Depreciation is provided using the straight-line method over the estimated useful lives of the respective assets. The estimated lives range from 3 to 50 years.

Deferred outflows of resources - In addition to assets, the statements of net position report a separate section for deferred outflows of resources. Deferred outflows of resources represent a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense) until then. Deferred outflows of resources related to pensions consist of certain differences between projected and actual actuarial results, certain differences between projected and actual investment earnings, certain changes in assumptions, and any contributions between the measurement and reporting dates.

Compensated absences - General policy of the Authority for former employees of the Metropolitan Government and for employees hired by the Authority permits the accumulation, within certain limitations, of unused vacation days and sick leave. For Metropolitan Government employees retained by the Authority and employees hired directly by the Authority, a maximum of 10 vacation days may be carried forward to the next year. Although sick pay may accumulate for all employees, no amounts are vested in the event of employee termination. Accumulated unpaid vacation pay is reported with accrued payroll.

JUNE 30, 2025 AND 2024

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Bond premiums - Bond premiums are deferred and amortized over the term of the related bonds.

Deferred inflows of resources - In addition to liabilities, the statements of net position report a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows of resources related to pensions consist of certain differences between projected and actual actuarial results, certain differences between projected and actual investment earnings, and certain changes in assumptions. Deferred inflows of resources related to leases represent the present value of long-term lease payments expected to be received during a lease payment term in accordance with GASB No. 87.

Net position - Components of net position are classified and displayed in three components as applicable: net investment in capital assets, restricted, and unrestricted. Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. Restricted amounts consist of assets with constraints placed on the use either by (1) external groups, such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. Unrestricted assets are comprised of all other assets that constitute the components of net position that do not meet the definition of "restricted" or "net investment in capital assets".

Operating and nonoperating revenues and expenses - Operating revenues and expenses generally result from providing services and producing and delivering goods and services in connection with the Authority's ongoing operations. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Tourism tax revenue - The tourism tax revenue consists of 3% of the 6% Hotel/Motel Tax authorized by Tennessee Code Annotated (TCA) Section 7-4-102, \$2.00 of the \$2.50 Hotel Room Occupancy Tax authorized by TCA Section 7-4-202, the \$2.00 Contracted Vehicle Tax authorized by TCA Section 7-4-203, the 1% Rental Vehicle Surcharge Tax authorized by TCA Section 67-4-1908, an allocation of state and local sales and use taxes derived from incremental sales tax growth within a Tourism Development Zone (TDZ) authorized by TCA Section 7-88-101, and an allocation of Campus Sales Tax, consisting of state and local sales and use taxes collected on the premises of the Music City Center campus and on any convention center hotels.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Other revenue (expense) - Other revenue (expense) primarily consists of amounts remitted to the developer of a hotel constructed adjacent to the Music City Center; to the Metropolitan Government in accordance with the PILOT agreement executed in November 2019 and the MOU agreements executed in August 2022, June 2023, May 2024 and May 2025. These are discussed in Note K to the financial statements. Other revenue also includes lease-related revenue as discussed in Note I to the financial statements.

Leases - The Authority leases certain assets to various third parties. As a lessor, the Authority is required to recognize a lease receivable and a deferred inflow of resources. The lease receivable is measured at the present value of lease payments expected to be received during the lease term. The deferred inflow of resources is equal to the lease receivable, less any prepayments received from lessees, or lease incentives paid to lessees. The Authority recognizes lease revenue calculated as the amortization of the deferred inflow of resources over the lease term. The Authority also recognizes accrued interest receivable and interest revenue for the amortization of the discount for lessor contracts. Lease-related revenue is included in other revenue in the statements of revenues, expenses, and changes in net position.

Estimates - Estimates are used in the preparation of financial statements and require management to make assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Newly Adopted Accounting Pronouncements

The Authority implemented the following Governmental Accounting Standards Board (GASB) statements during fiscal year 2025:

GASB Statement No. 101, *Compensated Absences*, was issued in June 2022. This Statement updates the recognition and measurement guidance for compensated absences. This Statement requires liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. This Statement was implemented by the Authority in fiscal year 2025. The implementation of this Statement had no material impact effect on the Authority's financial position, results of operations, or cash flows.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

GASB Statement No. 102, *Certain Risk Disclosures*, was issued in December 2023. This Statement requires a government to assess whether a concentration or constraint makes the primary government reporting unit or other reporting units that report a liability for revenue debt vulnerable to the risk of a substantial impact. Additionally, this Statement requires a government to assess whether an event or events associated with a concentration or constraint that could cause the substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. This Statement was implemented by the Authority in fiscal year 2025. The implementation of this Statement had no material impact effect on the Authority's financial position, results of operations, or cash flows.

Recent Accounting Pronouncements

GASB Statement No. 103, *Financial Reporting Model Improvements*, was issued in April 2024. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues. This Statement will be effective for the Authority in fiscal year 2026. The Authority is in the process of evaluating the impact of GASB Statement No. 103.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*, was issued in September 2024. This Statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. Lease assets recognized in accordance with Statement No. 87, *Leases*, and intangible right-to-use assets recognized in accordance with Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, should be disclosed separately by major class of underlying asset in the capital assets note disclosures. Subscription assets recognized in accordance with Statement No. 96, *Subscription-Based Information Technology Arrangements*, also should be separately disclosed. In addition, this Statement requires intangible assets other than those three types to be disclosed separately by major class. This Statement will be effective for the Authority in fiscal year 2026. The Authority is in the process of evaluating the impact of GASB Statement No. 104.

B. CASH AND INVESTMENTS

The Authority is authorized by state statutes and policy to invest funds that are not immediately needed in U.S. Treasury bills, bonds, and notes; the Tennessee Local Government Investment Pool (LGIP); the Bank of New York Mellon Direct Holdings; the First Horizon Bank Business Investment Account (BIA) – Concentration; First Horizon Bank Business Investment Account (BIA) – Electronic Disbursements; most bonds issued by U.S. government agencies; other municipal obligations; and other investments, such as repurchase agreements and commercial paper. The Authority is authorized to invest in these instruments either directly or through the Metropolitan Government’s Investment Pool (MIP). Additional information regarding the underlying investments of the MIP is available in the Metropolitan Government’s Annual Comprehensive Financial Report, which can be obtained from the Department of Finance, Financial Operations, 700 2nd Ave South, PO Box 196300, Nashville, TN 37219-6300, or <http://www.nashville.gov/Finance/Financial-Operations.aspx>.

At June 30, 2025, the Authority had the following deposits and investments:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Weighted Average Maturity (in years)</u>
Cash on deposit	\$ 280,155	-
Metropolitan Government investment pool	609,860,945	(a)

B. CASH AND INVESTMENTS - Continued

At June 30, 2024, the Authority had the following deposits and investments:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Weighted Average Maturity (in years)</u>
Cash on deposit	\$ 277,223	-
Metropolitan Government investment pool	441,108,253	(a)
U.S. Treasury money market funds	<u>35,708,767</u>	-

Municipal obligations	<u>278,853</u>	4.4
Total investments	<u>39,044,875</u>	
Total cash and investments	<u>\$516,139,118</u>	

- (a) The Metropolitan Government investment pool includes investments in the Tennessee Local Government Investment Pool in the amount of \$68,553,703, the Bank of New York Mellon in the amount of \$312,385,505, the First Horizon Business Investment Account Concentration in the amount of \$60,165,596, and the First Horizon Business Investment Account Electronic Funds Disbursements in the amount of \$3,449. The weighted average maturity of these at June 30, 2024 was 0.13, 0.63, n/a, and n/a, respectively.

Cash

Custodial credit risk is the risk that, in the event of a bank failure, the Authority's deposits may not be returned. As of June 30, 2025 and 2024, all deposits and certificates of deposit were insured or collateralized as required by State of Tennessee law.

Investments

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Authority's investment policy places no specific limit on the weighted average maturity of the investment portfolios. However, the average maturity of the portfolios is monitored and managed so that the changing interest rates will cause only minimal deviations in the net asset value. As of June 30, 2025 and 2024, the investments of the Authority had weighted average maturities as noted on the preceding tables.

B. CASH AND INVESTMENTS - Continued

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The investment policy limits investments in corporate obligations to prime banker acceptances that are eligible for purchase by the Federal Reserve System and commercial paper that is rated at least A1 or the equivalent by at least two nationally recognized rating agencies.

Concentration of credit risk is the risk of loss attributed to the magnitude of the Authority's investment in a single issuer. The investment policy limits single issuer exposure to 10% except for securities of the U.S. government or its agencies.

Custodial credit risk is the risk that, in the event of a failure of the counterparty to a transaction, the Authority will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. There is not a policy with regard to custodial credit risk of investments; however, as of June 30, 2025 and 2024, all investments were insured or registered or the securities were held by the Authority or its agent in the Authority's name.

Fair Value Measurement

GASB Statement No. 72, *Fair Value Measurement and Application*, categorizes the inputs to valuation techniques used to measure fair value into three levels. Level 1 inputs are quoted prices (unadjusted) for identical assets or liabilities in active markets. Level 2 inputs are inputs—other than quoted prices included in Level 1—that are observable for an asset or a liability, either directly or indirectly. Level 3 inputs are unobservable inputs for an asset or a liability.

All investments held by the Authority are considered Level 1.

C. ACCOUNTS RECEIVABLE

Accounts receivable of \$7,498,165 at June 30, 2025 consisted of \$3,259,977 for operating events and \$4,238,188 of accrued tourism taxes. Accounts receivable of \$7,701,615 at June 30, 2024 consisted of \$3,857,094 for operating events and \$3,844,521 of accrued tourism taxes.

F. LONG-TERM REVENUE BONDS PAYABLE - Continued

In April 2010, the Authority issued Tourism Tax Revenue Bonds, Series 2010A-1 for \$51,730,000, Series 2010A-2 for \$152,395,000, and Series 2010B for \$419,090,000, for a combined principal amount of \$623,215,000, plus original issue premium of \$1,301,329. The purpose of the bonds was to pay the costs associated with planning, designing, engineering, acquiring, constructing, equipping, furnishing, improving, repairing, refurbishing, and opening the Music City Center.

The land for the Music City Center was purchased prior to the creation of the Convention Center Authority by the Metropolitan Development and Housing Agency (MDHA), a component unit of the Metropolitan Government, through a bank loan. In conjunction with the issuance of the Tourism Tax Revenue Bonds, the MDHA bank loan was retired, and the land was transferred to the Authority.

The bond proceeds were used as follows:

Establishment of debt service reserve funds	\$40,040,199
Establishment of capitalized interest funds	22,287,870
Payment of bond issue costs	7,299,082
Retirement of MDHA loan	46,313,567

The remaining \$508,575,611 of bond proceeds was deposited in construction funds to be drawn down as the Music City Center was constructed. The capitalized interest funds were applied to interest payable during construction.

The Series 2010A-1 bonds are tax exempt, and the Series 2010A-2 and Series 2010B bonds are Federally taxable and were issued as Build America Bonds (BABs) under an irrevocable election under Section 54 of the Internal Revenue Code. BABs qualify for a 35.0% credit from the Federal government on interest payable on the bonds. The Metropolitan Government is required to file requests for these interest credits no earlier than 90 days prior to each scheduled interest payment. Subsequent to issuance of the bonds, the Federal government has reduced the credit. The credit reduction was 5.7% in the fiscal years ended June 30, 2025 and 2024. The Authority is not anticipating restoration of the credit to the original amount; however, the reduction is not expected to have a material impact on the ability to meet future debt payments.

The Series 2010A Bonds are payable from tourism tax revenues received by the Metropolitan Government.

F. LONG-TERM REVENUE BONDS PAYABLE - Continued

The Series 2010B Bonds are payable from the remaining tourism tax revenues available after the payment of the 2010A Bonds and from net operating revenues, which are the remaining project operating revenues after the payment of operating expenses. The Series 2010B Bonds are additionally secured by a pledge of the Metropolitan Government's nontax revenues of the General Fund of the General Services District, subject to the prior pledge and application of certain requirements related to bonds issued by the Sports Authority, a component unit of the Metropolitan Government. No payments related to this financial guarantee have been made by the Metropolitan Government. Should any payments be made by the Metropolitan Government in the future, the agreements provide for recovering any such payments from the Authority's revenues after operating expenses are covered and annual principal and interest payments and certain other obligations are met.

All of the bonds are subject to Federal arbitrage regulations. Annual maturities of revenue bonds outstanding, related interest, and anticipated Federal interest credits for interest payable on BABs are outlined below.

G. EMPLOYEE BENEFIT PLANS

Certain employees of the Metropolitan Government's Nashville Convention Center were retained by the Authority to manage and operate the Music City Center. Those Metropolitan Government employees continue to be eligible to participate in the pension, other postemployment benefit (OPEB), and deferred compensation 457 plans of the Metropolitan Government. Only employees hired directly by the Authority are eligible to participate in the Authority's deferred compensation 401(k) plan.

(a) Pension Plans (Former Metropolitan Government Employees)

The Metropolitan Government sponsors or guarantees several single-employer pension plans, including (a) the closed City Plan (City Plan); (b) the Davidson County Employees' Retirement Plan (County Plan), both of which were closed to new members on April 1, 1963; and (c) the Metropolitan Employees' Benefit Trust Division A or B (Metro Plan). Division A of the Metro Plan was established at the inception of the Metropolitan Government on April 1, 1963 and was closed to new members on July 1, 1995. Division B of the Metro Plan was established on July 1, 1995.

All plans of the Metropolitan Government were established by or continue under the authority of the Metropolitan Charter, Article XIII, effective April 1, 1963. Approval of the Metropolitan Council is required to establish and amend benefit provisions. Article XIII also requires that all pension plans be actuarially sound. Administrative costs of the plans are financed by plan assets. The plans are administered by the Metropolitan Employee Benefit Board, an independent board created by the Metropolitan Charter. The financial position and results of operations of the pension plans are reported as fiduciary funds of the Metropolitan Government and, accordingly, are not included in the financial statements of the Authority.

Certain legacy employees of the Authority who were former employees of the Nashville Convention Center are members of the Metro Plan. Periodic contributions by the Authority to the Metro Plan are at actuarially determined rates that are designed to accumulate sufficient assets to pay benefits when due. Contributions to closed plans are made on a pay-as-you-go basis by the Metropolitan Government whereby contributions are made in amounts sufficient to cover benefits paid during the year. Employees do not contribute to any of the Metropolitan Government pension plans.

G. EMPLOYEE BENEFIT PLANS - Continued

Normal retirement for employees occurs at age 65 for Division A and age 60 for Division B and entitles employees to a lifetime monthly benefit as determined under the Metro Plan. Benefits fully vest upon completing five years of service for employees employed on or between October 1, 2001 and December 31, 2012 and who vest before leaving employment.

A net pension liability has been recorded in the financial statements of the Authority based on its pro rata share of the total net pension liability for the Metropolitan Government. The net pension liability was \$700,727, \$425,444 and \$425,229 at June 30, 2025, 2024 and 2023, respectively. The Authority's proportion of the Metro Plan's net pension liability at June 30, 2025, 2024 and 2023 was 0.23%, 0.19% and 0.19%, respectively.

Certain differences between expected and actual actuarial results and certain differences between projected and actual investment earnings and certain changes in assumptions are recorded as either deferred outflows of resources or deferred inflows of resources. The deferred outflows of resources and deferred inflows of resources were \$785,255 and \$0, respectively, for the year ended June 30, 2025; \$523,932 and \$53,888, respectively, for the year ended June 30, 2024; and \$666,348 and \$94,234, respectively, for the year ended June 30, 2023. The amounts at June 30, 2025, will be recognized as net pension expense in future years.

Contributions by the Authority to the Metro Plan totaled \$276,321, \$218,507, and \$274,896 for the years ended June 30, 2025, 2024 and 2023, respectively.

The Authority has recorded a net pension liability, deferred outflows of resources, and deferred inflows of resources, in accordance with GASB Statement No. 68, *Accounting and Reporting for Pensions – an amendment of GASB Statement No. 27*, related to its participation in the pension plans of the Metropolitan Government. The number of Authority employees participating in the pension plans is approximately 20, and disclosures and related information presented are limited due to the Authority's relative level of participation. Additional information regarding the pension plans of the Metropolitan Government is available in the Annual Comprehensive Financial Report, which can be obtained from the Department of Finance, Financial Operations, 700 2nd Ave South, PO Box 196300, Nashville, TN, 37219-6300, or <http://www.nashville.gov/Finance/Financial-Operations.aspx>.

(b) Other Post-Employment Benefit (OPEB) Plans (Former Metropolitan Government Employees)

Retirees in the Metro, City, or County Plans may elect to participate in the Metropolitan Employees' Medical Benefit Plan (Benefit Plan), a single-employer defined-benefit healthcare plan. The Benefit Plan is administered by the Employee Benefit Board and provides medical, dental, and life insurance. The OPEB Plans were authorized by the Metropolitan Charter and Code. The financial position and results of operation of the Benefit Plan are reported as an internal service fund of the Metropolitan Government and, accordingly, are not included in the financial statements of the Authority.

The contribution requirements of the Benefit Plan members and the Metropolitan Government are established and may be amended by the Employee Benefit Board. The required contribution is based on projected pay-as-you-go financing requirements under which contributions are made in amounts sufficient to cover benefits paid, administrative costs, and anticipated inflationary increases. For health insurance, the Metropolitan Government contributes 75% of all premium payments, and the retirees contribute 25%. The Metropolitan Government also provides a 50% matching contribution on dental insurance for retirees who choose to participate. Finally, the Metropolitan Government provides life insurance at no charge to retirees.

As the Metropolitan Government has assumed the responsibility for funding these benefits, the Authority has accrued no liability as of June 30, 2025 or June 30, 2024. Actuarially determined OPEB Plans are reported in the government-wide statements of the Metropolitan Government; accordingly, no additional liability has been accrued in the financial statements of the Authority.

(c) Deferred Compensation 457 Plan (Former Metropolitan Government Employees)

The Metropolitan Government offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all Metro employees, permits deferral of a portion of salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. Because the assets are held in a trustee capacity, they are not included in the financial statements of the Metropolitan Government. No contributions are made to this plan by the Metropolitan Government or Convention Center Authority.

(d) Deferred Compensation 401(k) Plan (Authority Employees)

The Authority offers a 401(k) defined contribution deferred compensation plan to its employees hired directly by the Authority. The plan is administered by the Authority and benefit terms, including contribution requirements, for the plan are established and may be amended by the Authority. Former employees of the Nashville Convention Center who are members of the Metro Pension Plan are not eligible to participate in this plan. The plan permits deferral of a portion of salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. Employees can contribute as much as is allowed by Federal law. The Authority matches 100% of employee contributions up to 3% of salary and 50% of employee contributions up to 5% of salary. Participants are immediately vested in their own contributions, rollover contributions, and actual earnings thereon. Employer contributions to the Plan through December 31, 2019, vest 20% at the end of each participant's first year of service and then vest 20% per year, plus actual earnings thereon for each year of credited service, as defined by the Plan document. These Employer contributions are 100% vested after five years of credited service for each Participant. The Plan was amended to become a safe harbor plan effective January 1, 2020. Employer matching contributions to the Plan beginning on or after that date, are 100% vested immediately for all participants, including earnings thereon. For Employer discretionary contributions, the participants are subject to the 5- year vesting schedule. Pension expense recorded by the Authority to the 401(k) Plan totaled \$240,710, \$228,397, and \$229,282 for the years ended June 30, 2025, 2024 and 2023, respectively. Forfeitures are used to reduce future employer matching contributions or to pay certain administrative expenses of the plan. Financial statements for the plan can be obtained from the Convention Center Authority, c/o Music City Center, Human Resources, 201 Rep. John Lewis Way South, Nashville, TN 37203.

H. RISK MANAGEMENT

The Authority is exposed to various risks of loss incidental to its operations and has obtained several insurance policies after performing risk assessment analyses. The Authority retains risk up to a maximum deductible of \$100,000 for each covered claim and has obtained excess insurance for any claims above that amount. These policies provide insurance for property, builder's risk, worker's compensation, automobile, general liability, and other exposures. There have been no settlements exceeding insurance coverage since the inception of the Authority.

I. LEASES

On December 30, 2010, the Authority entered into a development agreement for the Country Music Hall of Fame and Museum Expansion with Omni Nashville, LLC (Omni) and into a development, lease, and operating agreement with the Country Music Foundation, Inc. (Hall of Fame). Under the terms of the agreements, Omni constructed a connector (expansion project) between its headquarters hotel and the Hall of Fame, with funding from tax increment financing provided by the Metropolitan Development and Housing Agency. Upon completion of construction, the connector was transferred to the Authority on June 20, 2014 and is now leased to the Hall of Fame for an initial term of 60 years. The lease includes an option for the Hall of Fame to purchase the premises upon expiration of the initial term for \$750,000. Rent is payable annually on October 1st. The annual rent is \$350,000 for fiscal years 2020-2024, \$500,000 for fiscal years 2025-2064, \$650,000 for fiscal years 2065-2069, and \$750,000 for fiscal years 2070-2074.

The Hall of Fame is responsible for all interior and exterior operating costs, insurance, maintenance, and repairs. The lease includes a provision for \$200,000 of the annual rent payment to be deposited in an escrow account for future repair and maintenance of the space until the reserve fund reaches \$1,000,000. In lease year 21, the reserve fund deposits increase to \$250,000 annually until the fund reaches \$1,500,000. As required by the agreement, the Authority has established a reserve fund for the portion of the Hall of Fame annual payment reserved for future capital costs related to the connector.

In May 2015, the Authority entered into a redevelopment agreement for the Fifth & Broadway complex. Under the terms of the agreement, the Authority funded \$34,500,000 of the construction costs of the complex's parking garage, and has full ownership of the garage. Upon completion and occupancy of the complex, the Authority and the developer entered into a lease agreement effective July 1, 2020 whereby the Authority is the lessor and the developer is the lessee. The lease term is 99 years and requires annual non-adjustable rent of \$1,380,000, to be payable by the lessee in monthly installments of \$115,000.

The Authority recognized lease revenue and interest revenue of \$609,459 and \$1,754,377, respectively, for the year ended June 30, 2025, and \$609,459 and \$1,757,387, respectively, for the year ended June 30, 2024. Lease-related revenue is included in other revenue in the statements of revenues, expenses, and changes in net position.

K. COMMITMENTS AND CONTINGENCIES

On October 19, 2010, the Authority entered into a Development and Funding Agreement with Omni to facilitate the development of a premier headquarters hotel adjacent to the Music City Center. Under the terms of the Development and Funding Agreement, the Authority will pay Omni annual economic development payments and incentives from excess tourism tax revenues collected over a period of 20 years. These payments are additionally secured by a pledge of the Metropolitan Government's nontax revenues of the General Fund of the General Services District, subject to the prior pledge and application of certain requirements related to bonds issued by the Sports Authority, a component unit of the Metropolitan Government. No payments related to this financial guarantee have been made by the Metropolitan Government. Should any payments be made by the Metropolitan Government in the future, the agreements provide for recovering any such payments from the Authority's revenues after operating expenses are covered and annual principal and interest payments and certain other obligations are met.

These payments to Omni began after the hotel opened for business, including the renting of rooms. The amount remitted to Omni during the years ended June 30, 2025 and 2024 totaled \$12,000,000 in each year. The schedule of future annual payments is expected to be as follows.

<u>Year(s) Ending June 30,</u>	<u>Annual Payment</u>
2026	\$12,000,000
2027 - 2033	\$15,000,000

In November 2019, the Authority and the Metropolitan Government entered into a payment in lieu of taxes (PILOT) agreement whereby the Authority will make yearly payments to the Metropolitan Government based on the property tax rate and value of the MCC. The total PILOT amount was \$14,132,573 in fiscal years 2025 and 2024.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

K. COMMITMENTS AND CONTINGENCIES - Continued

In May 2024, the Authority entered into an MOU with the Metropolitan Government to transfer \$16,972,300 to be restricted to a special purpose fund dedicated to Entertainment District initiatives and special events expenses incurred by Metro's Beer Board, Police, Fire, Emergency Communications, and Transportation Departments. The transfer is to be made in two equal installments. The first transfer will be made in August 2024 and the second transfer will be made in December 2024.

In May 2024, the Authority entered into an MOU with the Nashville Downtown Partnership to provide funding to the NDP in the amount of \$2,100,000. The funds are to be spent as follows: \$409,000 to expand their cleaning footprint; \$422,000 on focused safety services; \$105,000 targeted toward guest hospitality; \$569,000 for CBID participation; \$183,000 to maintain outreach and housing and \$412,000 to be determined in further support of the foregoing and in consultation with and upon the approval of the Convention Center Authority. This payment was made in August 2024 in accordance with the MOU.

In May 2025, the Authority entered into an MOU with the Metropolitan Government to transfer \$20,823,800 to be restricted to a special purpose fund dedicated to Entertainment District initiatives and special events expenses incurred by Metro's Police and Fire Departments. The transfers will be made in four equal quarterly installments. The first transfer was made in July 2025 and the second, third, and fourth transfers will be made in October 2025, December 2025, and March 2026, respectively.

In May 2025, the Authority entered into an MOU with the Nashville Downtown Partnership to provide funding to the NDP in the amount of \$2,550,000. The funds are to be spent to expand their cleaning footprint; focused safety services; targeted guest hospitality; CBID participation; to maintain outreach and housing; fund remaining Fiscal Year 2026 operations; and in further support of the foregoing and in consultation with and upon the approval of the Convention Center Authority. This payment will be made in accordance with the MOU.

Any future MOUs with the Downtown Partnership or Metro Government would be proposed and evaluated during the annual budget process by the Authority.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

The Audit Committee
Convention Center Authority of the Metropolitan
Government of Nashville and Davidson County, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Convention Center Authority of the Metropolitan Government of Nashville and Davidson County, Tennessee (the Authority) as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated October 31, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
